

Inter-Town Dialing System Not Likely in Near Future

The establishment of an inter-town dial system for Washington Township is a far distant project, according to a report made by S. D. Smith, manager of the Hayward office of the Pacific Telephone Company, to the Washington Township Chamber of Commerce Wednesday.

At the invitation of the Township Chamber, Smith attended Wednesday's meeting to report on the topics of direct dialing between towns; dial service for Irvington; improved system for emergency calls and the consolidation of the telephone directory.

Smith stated that traffic volumes are such that with the present types of central office equipment, centralized handling at Hayward has been the most practical means of handling all messages between the local exchanges.

"To provide direct subscriber dialing between the exchanges within the township would require a fundamental change in the telephone plants. Such a change would mean using large amounts of critical materials which are in extremely short supply and under a strict government allocation program. Our final plans cannot be determined until the permanent pattern of the area has been determined by the location of large industrial and residential tracts," Smith said.

'SYSTEM ADEQUATE'

Concerning Irvington's manual phone system Smith said, "It is the company's intention to convert Irvington service to dial operation at some future date. The central office equipment in Irvington is presently adequate to provide service for all who order it."

In regard to local calls for police, fire or ambulance service having to be routed through Hayward, in many instances, Smith said, "Telephone operating areas do not always coincide with fire, police, school and other political subdivisions. Studies are being made here to determine the best service arrangements."

The consolidation of the listings of the residents of the eight communities of the township to be listed alphabetically, rather than by towns, is feasible and can be done when the next directory is published, Smith reported.

PROTEST NPA ORDER

J. I. MacGregor, principal of the Newark Elementary School, represented the Alameda County School Administrator's Association at the meeting and asked the Chamber to protest the Federal government's curtailment of steel for school construction.

The Chamber authorized telegrams to be sent to the National Production Authority, Senator William F. Knowland and Representative George Miller.

BACK PARK PLAN

Mrs. Edna Overacker, representing the Niles Women's Civic Club, won the backing of the Chamber in a campaign for the (Continued on page 4)

ANNUAL K. OF C. COUNCILS COMMUNION AND BREAKFAST

The twenty-second annual communion and breakfast for the East Bay Area Councils of the Knights of Columbus will be held Sunday, October 28, at St. Joseph's Church in Alameda.

The Knights will attend the 8 o'clock mass and will then attend a breakfast at the Hotel Alameda. Tickets are available from Joe Kochalka, grand knight of the Centerville Council No. 2692.

TOMATO GROWERS RUSHING HARVEST OF BUMPER CROP

What is expected to be the biggest tomato harvest in the history of Washington Township continued at a break-neck pace this week, but not without headaches to all persons concerned.

Growers are plagued with a shortage of workers; pickers are hampered by a shortage of boxes; truckers are having to wait as long as ten hours to get unloaded, and canneries are working back-breaking 'round-the-clock schedules to keep ahead of the steady stream of incoming tomatoes.

Growers are reported receiving from \$30 to \$37 per ton for their bumper crop, which is said to be of the highest quality.

Growers report that their biggest problem is getting crews of workers on the job and holding them there. Too often the trucks fail to return with empty boxes in time and crews move on to other fields.

The L. S. Williams Packing Company at Centerville is also working at top speed packing and shipping green tomatoes to eastern markets. Seven rail cars of green tomatoes were packed and shipped last Saturday, setting a new one-day record.

If the cold weather and fall rains hold off the income to tomato growers in this area will set an all-time record this season.

BANK 'INTERESTED' IN NEWARK SITE

Jack R. Greer, vice-president of the Central Valley Banks of California, was a guest at the meeting of the Newark Chamber of Commerce Tuesday evening and announced that his bank is "interested" in opening branches in growing communities.

Edward O'Mara, chairman of the Chamber's banking committee, made a report on the findings of a survey conducted throughout the community the past three weeks.

President Paul Gygas announced that the Chamber's application for a locally owned and operated bank has been filed with the State Banking Commission and a decision is being awaited from that body.

A letter was ordered sent to the Southern Pacific Company asking them to have a representative present at the next meeting to discuss the possibility of the company selling its land between the O'Mara Home Furnishings Store and the tracks so that it could be purchased for expansion of the business district.

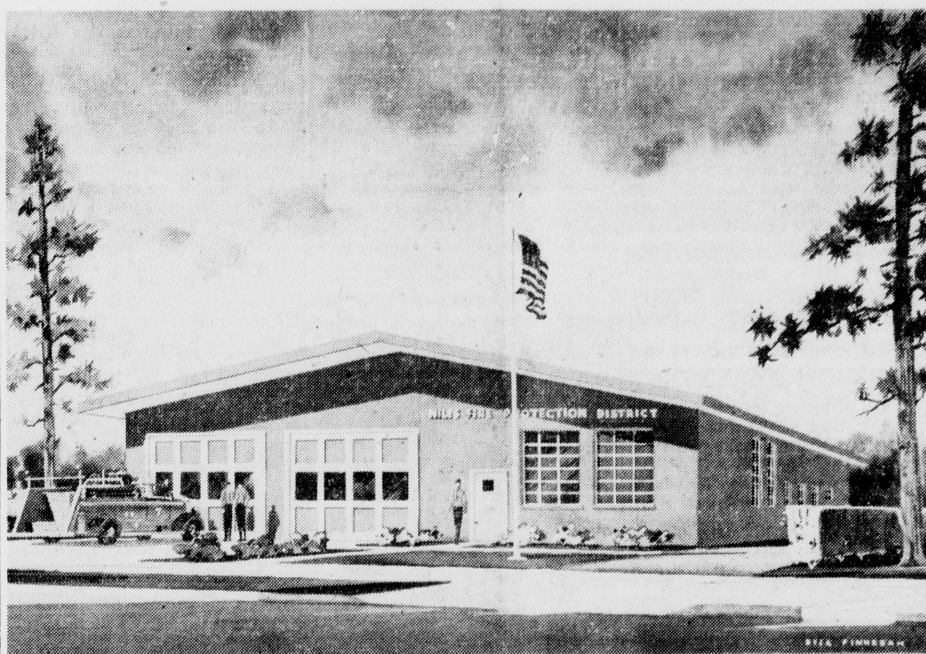

A letter from the Newark (Ohio) Chamber of Commerce was read, requesting the local Chamber to participate in that organization's sesquicentennial celebration next September. The members expressed interest in the matter and the secretary was instructed to write for more particulars.

President Gygas announced that he would name a committee in the near future to take charge of the annual Christmas party for the children of the community.

HIGH SCHOOL P.T.A. PLANS CARNIVAL

Mr. and Mrs. J. O. Hindmarsh of Centerville have been appointed by Mrs. Gerald Rehrig, president of Washington Union High School P.T.A., to the chairmanship of the carnival to be held Saturday, November 3. Mr. Bryce Phillips will serve as co-chairman.

The carnival has become an annual event at the high school and is eagerly anticipated, not only by those connected with the high school, but by many township residents.

NILES FIRE STATION . . . Shown above is the architect's sketch of the new \$39,000 fire station which is to be constructed on Second Street between H and I Streets in Niles. Construction is expected to get under way next week. The new station will have sufficient space for four fire trucks, a meeting hall, and sleeping quarters for the fire men.

DR. LYLE BUEHLER ORDERED TO REST

Dr. Lyle Buehler this week put away his stethoscope and prepared to take "sabbatical leave" for a period of at least six months. Under doctor's orders he will remain in the Alum Rock Sanatorium for the next few months, recovering from a lung ailment.

Dr. Buehler's illness is as much of a shock to his many patients as to himself and his family. He announced before he left, however, that, during his absence, Dr. Albert Olson will take over his practice in Niles, and will hold regular office hours.

Dr. Buehler has been practicing in Niles for ten years. During that time he has firmly established himself as a general practitioner and has earned the reputation for being an excellent diagnostician.

Dr. Olson, from San Leandro, is a graduate of the Medical College of Evangelists in Los Angeles. He has been practicing in Oakland, and will continue to live in San Leandro with his wife and two children until such time that it is feasible for him to move to Niles.

OFFICER BEATER IN COURT TODAY

A 23-year-old laborer, charged with knocking a deputy sheriff unconscious with a pair of handcuffs in Decoto last Friday night, will appear before Judge E. A. Quarles in Justice Court today at 1:30 p.m.

The defendant, charged with assault with a deadly weapon, is Joseph Perez of Oakland.

Perez was first arrested by two deputy sheriffs on a disturbing the peace complaint.

When Deputy Calvin Nutting attempted to handcuff Perez, the laborer lashed out with the handcuffs, inflicting severe head lacerations on Nutting.

Meanwhile, the other deputy, Donald Putnam, returned to help Nutting overpower the prisoner and then returned to the house of Acension Flores of Decoto, who had called the deputies.

During Putnam's absence Deputy Nutting collapsed from loss of blood and Perez fled.

Early Saturday morning officers, acting on an anonymous tip, arrested Perez in the living quarters behind an Oakland tavern.

Perez told officers that he had sawed off the handcuffs without aid.

THREE INJURED IN HIGHWAY CRASH

Two Niles men and an Oakland woman were seriously injured Sunday evening in a head-on crash on Highway 9 one mile north of Niles.

The injured are Harry Jones and Marvin Garrison, Niles, and Mrs. Gladys Bruehl of Oakland.

Investigating officers reported that Garrison's car swerved from the southbound lane, crossed the center lane and struck the northbound Bruehl machine.

NO SHORTAGE OF DOCTORS HERE

The age-old query, "Is there a doctor in the house?" could have broken up Tuesday's meeting of the Irvington Chamber of Commerce.

Of the eleven persons present at the luncheon the following doctors were included: Dr. E. M. Grimmer, Dr. Frank McMahon and Dr. Robert Fisher, all of Irvington, and Dr. E. M. Grimmer Jr. and Dr. Gene Manning, both of Centerville.

And, just for good measure, another one of those present was Wallace Pond, pharmacist.

LARGE CREW OPENS CHEST CAMPAIGN

More than 130 volunteer solicitors for the Washington Township Community Chest began their campaign here Monday to raise \$8,100 for the seven participating organizations.

Bruce Michael, president of the Township Community Chest, reminded local residents this week that the money raised here is distributed entirely at the discretion of the local officers of the Chest.

He pointed out that \$5,290 of the \$8,100 goal will go to local Boy Scouts, Girl Scouts and Cub Scouts to finance the troops in this district. A total of \$500 of the money raised will be divided between the Irvington and Newark Youth Centers, the only two such organizations requesting aid this year.

Of the remainder of the money raised, \$1,300 will be handed over to the Salvation Army to assist in their aid to the needy. A portion of that money is deposited in a local bank to be used exclusively for assistance in local needy cases.

The Travelers' Aid will receive \$150 in carrying out their work of assisting cost stranded travelers.

Local residents have been asked to have their contributions ready when the volunteer solicitors knock at the door.

Give what you can—Give ALL you can.

DRIVERS PUZZLED BY NEW BUS LAW

Drivers of the school buses operating throughout the township have reported that local motorists are unaware of the new state law governing the stopping of vehicles for halted school buses.

The drivers report that motorists are stopping for the school buses in many instances where it is not required, thus creating a traffic hazard.

Under the new law motorists are not required to stop when passing halted school buses unless the red alternating lights are in operation on the bus.

The lights are used only when youngsters boarding or getting off the bus need to cross the highway. All traffic in either direction is required to stop when the red lights are in operation and remain halted until the lights are turned off.

LOCAL SHERIFF'S SUBSTATION IN FULL OPERATION

Effective next Monday the new Washington Township Substation of the Alameda County Sheriff's Department will be operating at full strength.

The new substation was activated last Monday by Sheriff H. P. (Jack) Gleason, with assignment of 21 men to the detail, under the command of Captain Richard F. Condon.

One lieutenant, two detectives, three sergeants, two constables and 13 deputies make up the staff. In addition, there is a junior stenographer, Mrs. Dorothy A. Johnson of Centerville.

The new deputies have just completed a course in the Sixth Annual Basic Peace Officers' Training School at Santa Rita Rehabilitation Center near Pleasanton.

Law enforcement for Washington Township will be handled by the new office, dividing departmental jurisdiction in Southern Alameda County. The Hayward substation will continue to police the Eden Township unincorporated areas.

Tremendous population growth in the rural and suburban areas of the county rendered the new substation necessary, Sheriff Gleason said this week.

PROPOSED SANITARY SYSTEM STUDIED

A tentative map of the proposed sewer system for Warm Springs with the approximate costs to landowners has been posted in the Warm Springs post office by the Chamber of Commerce.

"The proposed outline gives us something tangible to work on," Bruce Michael, Chamber president, said this week. "We are hopeful now that we will have a good turnout at our next public meeting for further discussion of the plan."

He stated that the Chamber plans to invite various sanitation experts to the next meeting to advise the community on the best procedure to follow.

The Chamber has voted to seek the assistance of Assemblyman Francis Dunn, the State Division of Highways and the State Highway Patrol in alleviating the present highway hazard at the intersection of Highways 17 and 21 and to ask for the establishment of a speed restriction zone in the business section.

TAX COLLECTOR HERE FRIDAY, OCTOBER 26

Edwin Meese Jr., Alameda County tax collector, has announced that a representative of his office will be at the new county building on Fremont Avenue on Friday, October 26, to distribute tax bills and collect the 1951-52 taxes.

The representative of the tax collector's office will be at the local office from 9 a.m. until 3 p.m. Taxpayers are asked to bring their previous tax bill for reference if possible.

Federal Controls Halt School Construction

Federal curtailment of the use of steel in construction of school buildings may play havoc with the proposed new buildings to relieve the overcrowded conditions in local schools.

The Newark School District, which has received clearance from state departments for the construction of the second half of their new school plant, has struck a snag in obtaining a priority to obtain the necessary metal.

In a telephone conversation with James Horton of the Federal Security Agency in Washington on Monday, J. I. MacGregor, district superintendent, was told that there is little chance of the district getting steel at the present time. Horton asked that MacGregor call him again in about 10 days to see if there might be a change in the procedure.

ALLOCATION SLICED

MacGregor was told that the total amount of steel allocated for construction of all schools in the nation, from kindergarten rooms to universities, is less than one-half day's production of all the plants in the nation.

It was learned that the Federal Security Agency, which acts as an agent in obtaining steel from the National Production Authority for the schools of the nation, requested 192,613 tons for the January-March quarter of 1952 but was granted but 81,000 tons.

The priority system followed in allocating steel for school construction is set up in five categories.

Priority No. 1 is for key defense areas. The only two areas in northern California eligible to receive steel under this category are Fairfield and Vallejo.

Priority No. 2—Districts where the school buildings have been completely destroyed by catastrophes.

Priority No. 3—Schools qualified under public laws 874 and 815. These schools must be eligible for federal aid.

Priority No. 4—Public school buildings which are only partially completed.

Priority No. 5—Districts where the present school buildings are overcrowded.

Under that priority rating it would appear that none of the five elementary school districts of Washington Township which are planning construction would be eligible for more than a priority 4 or 5.

MacGregor pointed out that the federal agencies lump the weight of all metals, including nails, wiring and pipe, under the steel category.

ASKS LOCAL ACTION

"I am hopeful that all civic organizations will take action to notify our representatives in Washington of the unfairness of the present curtailment of steel for school construction," MacGregor said.

He cited the fact that the old school building at Newark, condemned from an earthquake proof standpoint in 1940, is still being utilized to capacity. Also in daily use is the old Lincoln School building which was constructed in 1864.

"All our classrooms are crowded to capacity and we are running double sessions in the kindergarten," MacGregor said.

PROTESTS RAISED OVER HOG RANCH

A letter of protest to the operation of a pig ranch on Driscoll Road near Irvington was ordered sent Tuesday by the Irvington Chamber of Commerce. Copies of the letter will be sent to the Alameda County Board of Supervisors, District Attorney and Planning Commission.

The matter was brought to the attention of the Chamber by Roy Clarke, who stated that the hog ranch is operated by Lawrence Bunting. He reported that a petition declaring the ranch a nuisance had been sent to the Board of Supervisors.

Secretary Wallace Pond was also instructed to write to Carl Miller, county sanitarian, requesting an investigation into reported dumping of trash into the small creek near Union Street. A complaint registered with the Chamber stated that the debris and stagnant water in the ditch has become a breeding place for flies and mosquitoes.

IRVINGTON VFW ELECTS OFFICERS

Officers to head the newly organized Joseph and Stanley Bernardino VFW Post 7445 of Irvington were elected at a meeting held Wednesday evening at Maple Hall in Irvington.

Walter Roetlin was named the post's first commander. His staff of elective officers includes: Edwin Freitas, senior vicecommander; Robert W. Bushell, junior vicecommander; Clarence W. Dutra, chaplain; Edward P. Leach, quartermaster; Paul D. Powers, judge advocate; and Judson Bagwill, Paro H. Fudenna and Antone S. Cunha, trustees.

Appointive officers named to serve were: Kenneth B. Gass, adjutant; Joseph R. Stanly, officer-of-the-day; Franklin Craig, patriotic instructor; Victor Hernandez, historian; Eugene M. Stevenson, service officer; Clarence T. Rose, legislative officer; John C. Reddish, guard; William Morris and Ernest T. Rose, color bearers; Judson A. Bagwill, public relations; Tarno Fudenna, bugler; Kenneth Perry, assistant quartermaster; Stanley Kearley, assistant adjutant; Kalle H. McClelland, employment officer; and Leon A. Head and Curtis Thomas, color guards.

The meeting was conducted by Alva Fleming, chief of staff of the VFW and his assistant, Bob Murray.

The ladies have been invited to attend the next meeting, on November 7, to discuss the formation of an auxiliary.

The Institute Night for the post has been set for January 5, at which time the officers will be installed and the charter officially presented.

LEASE BUILDING NEW NILES MARKET

Construction was started Monday on the new grocery store on Fremont Avenue for Bain Leask.

The new store is being constructed by E. Flener, Oakland contractor, directly across the highway from the present store which Leask has operated for nearly five years.

Leask said yesterday that the new building will have a redwood rustic exterior and will be 50 feet by 80 feet, a sizeable expansion from the present market. He also stated that a complete line of fresh meats will be added and the produce department expanded when the move is made into the new building. The building is scheduled for completion about January 1.

A parking lot will be constructed adjacent to the store, Leask said.

NEWS NOTES FROM IRVINGTON

By HELEN TUCKER

THE UNEXPECTED

Things can happen to you very suddenly some times. Take Mrs. Joseph Tosta, for example. She was invited last Thursday to a Chinese dinner, just before closing time. So Mrs. Tosta and Mr. and Mrs. Lou Irwin, with whom she works, motored to Hayward for the dinner.

FROM SACRAMENTO

Mr. and Mrs. Vernon Leal from Sacramento visited with his father, Mr. J. F. Leal, and sister, Billie, last week-end. Mr. and Mrs. Ver-

non Leal were guests for dinner on Saturday at the home of Mr. and Mrs. Bill Chilcote and family of Centerville.

LUNCHEON GUESTS

Mr. and Mrs. B. W. Church of San Mateo were guests for lunch Wednesday at the home of Mr. and Mrs. William White.

HEIRLOOM TEA

The Church Women's Association of Irvington held their heirloom tea party on Friday, gathering at Mrs. Van Buskirk's residence, where many valuable heir-

looms were shown. The tea was held at the church, and more heirlooms were displayed there. Mrs. Florence Christensen is the president of the Club. The affair was considered to be very successful.

FLY OWN PLANE

Mr. and Mrs. Lou Irwin recently purchased a new airplane. Now they own two. They flew from Hayward Airport to Fresno on a pleasure trip Sunday, and enjoyed it immensely.

DINNER GUESTS

Mr. and Mrs. Marvin Zemanek and children, Corinne and John, from Wasco, and Mr. and Mrs. Adam Zemanek of San Jose were guests for dinner at the home of

Mr. and Mrs. R. W. Wright Wednesday evening.

STUDY GROUP MEETS

Mr. Auvin McLaughlin, Irvington Elementary School sixth grade teacher, and the directors of the Child Study Group held their meeting Tuesday afternoon. The study group is under the auspices of the Rockefeller Foundation. They meet every week in different schools.

A BABY GIRL

Mr. and Mrs. Clifford Rogers of Mt. Vernon Avenue on Santos Road are the proud parents of a baby girl, born Tuesday, October 16, at the Community Hospital in San Jose. The new baby has two brothers and a sister. Clifford is a Chief Petty Officer stationed at Coronado.

LUCKY MAN

Joseph Roche can consider himself a very lucky man. Last week, on Wednesday, he became the father of a baby boy, their first. And on Friday, by escaping with only minor scratches when colliding with a truck on the Oakland highway near San Jose. He was VERY lucky.

GUESTS OF TEAM

Twenty-four patrol boys of the Irvington Elementary School were guests of the Stanford University

football team Saturday. They were accompanied by Principal Gus Robertson, Mr. R. Lamp, the eighth grade teacher, and Mr. Bryce Phillips.

FACULTY MEETS

The Irvington school faculty, with five work-shops, held their meeting Tuesday afternoon. Leading the group was Lee Lykens, supervisor of music of Alameda county schools. Miss Madeline Barth assisted.

NEPHEWS VISIT

Mr. and Mrs. Joe Salvador had the pleasure of entertaining their two nephews on Sunday, Private Johnny Salvador of Fort Ord, and Private Frankie Salvador of Hunter's Point. They are the sons of Mr. and Mrs. Antone Salvador. Johnny is a football star at the camp, and Frankie is leaving for overseas next month.

BENEVOLENT SOCIETY

The Benevolent Society, Council 89, "The Salvador," will meet at the home of Mr. and Mrs. Joe Salvador on October 28. Frank Bettencourt is president of the Council and Christian Rose, elected deputy for the year.

VARGAS SISTERS

Postmaster and Mrs. Manuel Joseph attended the announcement party of the engagement of

their niece, Carolyn Vargas, daughter of Mrs. Cotilda Vargas of San Jose. Another niece, Miss Audrey Vargas, visited with the Josephs on Sunday.

FROM SAN FRANCISCO

Miss Lorraine Elmstedt of San Francisco visited with Miss Mavis Sanderson, now rooming in Irvington with Mrs. Bertha Rose, on Saturday. And on Sunday they went to Santa Cruz.

COLUMBUS DAY FETE

Bertha Rose, Mary Rose and son Norman, and your reporter attended the Y.M.I. Columbus day parade celebration at Santa Clara Sunday. All enjoyed it very much.

CORPORAL VISITS

Corporal Robert Rose and wife, of Camp Roberts, visited with his mother, Mrs. Bertha Rose, last week-end. He is an athlete instructor at the camp. He previously was signed to the Cleveland Indians ball club in Texas, before called into the Army.

CENTERVILLE SCHOOL NEWS

PATROL ATTENDS GAME

The Junior Traffic Patrol attended the Stanford-U.C.L.A. football game played in Stanford Stadium Saturday afternoon. The boys were accompanied by Principal Tom Maloney.

CUB SCOUTS

Mr. Carl Miller, Cubmaster, discussed the Cub Scout program with eight, nine and ten year old boys on Monday, October 8.

CLASS PINS

The eighth grade class placed an order for class pins. The officers are Billy Silva, president; Kenny Ornellas, vice-president; Joe Bernal, secretary, and George Mahusay, treasurer.

170 Million dollars invested in their tomorrows!

Californians know that it takes money to educate today's youngsters for tomorrow's responsibilities—money for classrooms, libraries, playgrounds and other "tools of learning." A lot of this money comes from Bank of America through investment in school bonds. This financial support has helped create—in hundreds of California cities—the modern schools so vital to the development of today's children.

Everywhere in California the great resources of this bank are working for the development of communities like your own. Schools and other public buildings... streets... sewers... waterworks... municipal swimming pools and other civic improvements are being financed with many millions of Bank of America deposit dollars.

Here is statewide branch banking in action—working for you and your community, building ALL of California. Here is a banking service made possible only by progressive policies... vast resources... and statewide branch facilities.

Bank of America's bond portfolio includes about 450 school bond issues in addition to bonds for every other kind of municipal improvement.

Bank of America also lends to architects, contractors and manufacturers engaged in the important work of designing, building and equipping new schools and other public works.

By ALBIE SANTOS

MOTHERS CLUB MEETS

The Mothers Club held its regular monthly meeting October 11 with the election of new officers as follows: president, Lois Bottenberg; vice-president, Marguerite Reis; secretary, Ruthie Santos; and treasurer, Aya Tamura.

Betty Andrade and Vera Ober were appointed Sunshine Girls for the year.

Plans were completed for a pot-

luck supper to be held October 25 in honor of the new members of the faculty.

TO SACRAMENTO

Nora Pereira, Rose Recend, Mary Hausler and Dan Silva motored to Sacramento for the garden wedding of John Pat Recend, son of Mrs. Rose Recend, to Miss Mary Slack of Sacramento. The couple were Reno bound for a honeymoon. They will live in Sacra-

mento.

SEWING CLUB

The Four-H Sewing group, with Fern Overacker as their leader, and the garden group, with Teenie Albert as their leader, held their first meeting on Wednesday.

FROM BERKELEY

Mr. and Mrs. Joseph Silva of Berkeley spent Sunday at the home of Mrs. Rose Goularte.

VISITS PARENTS

Mary Edith Scott motored from Pomona to spend a few days with her parents, Mr. and Mrs. Antone Santos Jr.

BETROTHED

Evelyn Chambers, daughter of

Mr. and Mrs. Earl Chambers, is wearing a beautiful engagement ring given to her by William Pereira, son of Mr. and Mrs. Tony Pereira.

Bill, Evelyn and her parents also spent Sunday in Santa Cruz.

NEW CAR

Stanley Coirres is the proud owner of a new car.

BABY GIRL

Jacque and William Fernandez are the proud parents of a baby girl, born October 10 at the Livermore Hospital. Baby weighed 8 pounds and 4 ounces and has been named Victoria Lynn.

SHOWER HONOREE

A shower was given to Marlene Fernandez, daughter of Mr. and Mrs. William Fernandez, before she left for Reno on Saturday, October 13, to become the wife of Donald Smith of Hayward. The couple will reside in Hayward.

HOME TO STAY

Dorothy Koelsch, who has been working at all the county fairs and just finished working at the Fresno Fair, arrived home Sunday and is home to stay.

HOME FROM VACATION

Mr. and Mrs. Joe Semas, owners of Helen's Fountain Lunch, are back from a wonderful vacation

in Washington, and are open again for business.

HOUSING NEEDED FOR WIDOW, THREE CHILDREN

A widow and her three children, now residing in one sleeping room in the township, are in dire need of a home or apartment, it was learned this week from the Hayward office of the Salvation Army.

The youngsters range from 5 to 9 years and they and their mother are dependent upon state aid for their existence.

Anyone having facilities that they would rent to this family is asked to telephone the Salvation Army at LUcerne 1-6150. The case worker stated that the mother could pay as high as \$45 per month

SCENE IN CENTERVILLE

By IRENE MENDONCA

Irene Mendonca

FALL CAUSES INJURY

We sympathize with Judy Silva, oldest daughter of the Frank Silvas of Oak Street, who has a broken arm due to a fall.

TO HOLD LUNCHEON

The Altar Society of the Holy Ghost Church met at the Parish Hall on Thursday, October 9. The meeting was conducted by President Mrs. Maria M. Brazil. Final plans were made for the annual luncheon which will be held on Wednesday, Oct. 24, at the International Kitchen at 12:30 p.m. The committee in

charge of arrangements are Mrs. Elsie Amaral, chairman, Mrs. Florence DeLuce and Mrs. Arelina R. Santos. Rev. Father Charles Curran has obtained an outstanding speaker for the occasion, Rev. Father William F. Reilly, director of the school for the deaf and hard of hearing, the Arch-Diocese of San Francisco. All members are urged to attend this annual affair and reservations must be sent to the chairman not later than Saturday, Oct. 20. Members may bring a guest.

The next meeting of the Altar Society will be held on Tuesday, Nov. 13, at the Parish Hall.

DINNER PARTY

Mr. and Mrs. Arthur Belshaw held a dinner party at their home last Saturday evening for a group of friends. Those present were

Mr. and Mrs. Clyde Voorhees, Mr. and Mrs. Karl Nordvik, Mr. and Mrs. W. R. Goodwin, Mr. and Mrs. Vernon Brown, Dr. and Mrs. Merle Buehler, Dr. and Mrs. E. M. Grimmer Jr. and Mr. and Mrs. Jud Taylor.

MOVE INTO NE WHOME

The Bill Clarks moved into their beautiful new home on Allan Court last week.

WEEK-END IN CAMPBELL

Miss Valeria Correa of Centerville spent last week-end with her cousin, Connie Silva of Campbell. On Friday evening the two girls attended a carnival at the Campbell high school. Valeria returned home on Sunday with the Silvas who spent the day with her parents, Mr. and Mrs. E. D. Correa of Central Avenue.

JOINT MEETING

The Ruth Circle held a joint meeting with the Ladies Aid at the Presbyterian Church on Thursday evening. All the ladies were invited.

NEW EVENING CLASS

Anyone interested in textile art, endorsed by the Washington High

School P.T.A., contact Mr. Warren Gravestock by next Tuesday, October 23. Fifteen persons have signed up for a writing course at the evening school. The teacher has not as yet been named.

FACULTY WIVES MEET

Faculty Wives of W.U.H.S. met at the home of Mrs. Warren Gravestock with Mrs. Don Wolfe as co-hostess on Tuesday evening. Those present were Mmes. J. V. Gould, Wm. Mitte, G. G. Rehrig, Hugh Kibby, Dwight Thornburg, Irving Hird, Robert Moller, Jud Taylor and Clyde Voorhees. The meetings will be held on the second Tuesday of each month from now on instead of Thursdays.

ST. JAMES ACTIVITIES

Sunday, Oct. 21, holy communion at 8 a.m., church school at 9:45 a.m. and morning prayer and sermon at 11. A nursery is provided at the rectory during the 11 o'clock service.

The full length Cecil DeMille film, "The King of Kings," will be shown at the Presbyterian Church at Centerville on Sunday night at 7:30. An offering will be taken for the Released Time classes in Centerville.

Tuesday, October 23, 7:30 p.m., Young People's Fellowship.

Wednesday, Oct. 24, 1:30 p.m., Guild meeting with Mrs. Mel Duffey as hostess. This will be an important meeting.

Thursday, Oct. 25, at 7:30 p.m., choir practice.

The semi-annual meeting of the Oakland Conclave will be held on Wednesday, Oct. 24, from 10:30 a.m. to 3 p.m., at St. Paul's Church in Oakland.

WEEK'S HUNTING TRIP

A group of localites returned last week from a successful hunting trip to Elgo, Nevada. After a week of hunting, they returned home with eight deer. Those who went along were Mr. and Mrs. John Wippl of Centerville, Dr. and Mrs. E. M. Grimmer, Mr. and Mrs. Charles Wauhab, Bill Humpert and Bill Trenouth, and Frank and RI Sabatti of Berkeley.

14TH BIRTHDAY PARTY

Eugene DeValle, son of Mr. and Mrs. Joaquin DeValle of Centerville, celebrated his 14th birthday Wednesday at the home of his sister and family, Mr. and Mrs. Ray Bean and children. His boy friend, David Amaral, helped him celebrate.

NEW CAR

Mr. and Mrs. Wayne Day of Mt. Vernon Avenue are proud owners of a beautiful new car, purchased last week.

ATTENDS BIRTHDAY PARTY

Our son Bobby and David Smith, son of the D. R. Smiths, attended a birthday party given for their cousin, Marilyn Cunha of San Jose, last Sunday. It was the honoree's fourth birthday. The day was spent playing games. Prizes were awarded to all. Cake, ice cream and pop was served to the children attending.

MIGHTY GRAND NATIONAL OPENS NEXT FRIDAY

Livestock and horse trails of the nation all lead to the San Francisco Cow Palace for the Grand National Livestock Exposition, Horse Show and Rodeo, which opens there next Friday, October 26, for a ten-day run.

Here is a picture of this year's "Show of National Championships":

The official 1950 Championship Finals of International Rodeo Association competition.

The official World Championship Finals for 1951 of the National Cutting Horse Association;

A million dollars worth of equine aristocrats in a national, full-dress horse show;

The world premier "Roundup on the Range," a spectacular range camp scene from the Old West, starring Dude Martin and his Roundup Gang;

The Boom Town Quadrille from Burk Burnett, Texas, a group of 18 riders on perfectly matched horses in almost unbelievable square dances which have taken the great Southwest shows by storm;

Wild Horse Stampede, a bone-crushing new rodeo event in which 50 wildly charging untamed and "naked" mustangs are turned into the arena at once for cowboy contestants on foot to try to catch and ride without the aid of any gear whatsoever.

There will be 14 performances of the great arena show, nightly October 26 through November 4 with matinees Saturdays and Sundays, October 27 and 28 and November 3 and 4. All seats are reserved. Tickets may be purchased at the Cow Palace, in San Francisco and Oakland downtown box offices and at all Pacific Greyhound ticket agencies. Prices for the reserved seats are \$1.20, \$2, \$2.50 and for box seats, \$3.60.

Betrothal Told

Mr. and Mrs. Earl Chambers of 524 Bryant Street, Mission San Jose, announced the engagement of their daughter, Evelyn Frances, to William Pereira, also of Mission San Jose. Miss Chambers is a senior at Washington Union High School. Her fiancé is the son of Mr. and Mrs. Tony Pereira of 423 Ellsworth Street and was graduated from Washington Union High School with the class of 1949. He is now employed at Central Chevrolet in Centerville.

No definite date has been set for the couple's wedding.

Raisin grapes comprise nearly 60% of the state's total output.

CLUB AT NEWARK LOOTED SUNDAY

A burglary at the M & M Club at 2214 Thornton Avenue, Newark, early Sunday morning netted the thief \$35 in change from the cash register and approximately \$16 in liquor.

Vincent J. Sulezich of 688 Rand Avenue, Oakland, owner of the club, told sheriff's deputies that he locked up about 2:45 a.m. Sunday and the burglary was discovered the following morning about 6:40 a.m.

It was determined that the thief hid in the club until after it was locked for the night then helped himself to the cash and liquor and made his getaway through the adjoining restaurant.

Officers said that it did not conform to the pattern set by the recent burglaries of liquor stores here.

KNIGHTS OF PYTHIAS PLAN FOR DINNER

The Page Rank rituals of the Knights of Pythias Lodge were held Wednesday night at the Newark Youth Center for candidates James Spears and Frank Lombardo.

On Friday evening, October 26, at the Youth Center, Bill Hildebrand will prepare a spaghetti dinner for his brother lodge members. Serving will begin at 6:30. The dinner will especially honor the oldest members in the Lodge.

PUBLIC INVITED TO TURKEY DINNER

The Women's Society of the Newark Presbyterian Church is planning a turkey dinner to be served in the church parlors next Monday evening, October 22, from 5:30 to 7:30.

Mrs. F. A. Muller, Mrs. Ray Auchard and Mrs. Franklin Brown are directing preparations. Adults will be served for \$1.75 a plate and children 75 cents. Mrs. R. O. Grace will take reservations for the dinner.

MAN FROM AFRICA TO SPEAK IN NEWARK

Ernest L. Friend, missionary from Tamale, Gold Coast, Africa, will be the guest speaker at the Christ Ambassador's meeting at the Assembly of God Church in Newark tonight (Friday). The meeting will begin at 7:30 p.m.

Mr. Friend was formerly the president of the Southern California District of C.A.'s, which reaches from Fresno to Tia Juana, Mexico.

LOCAL SUBSTATION WILL ACCEPT SPCA MESSAGES

Charles Baird, Southern Alameda County representative of the Society for the Prevention of Cruelty to Animals, announced this week that the members of the sheriff's department at the new substation here have agreed to accept calls for the SPCA.

Baird said that local calls may be made to Centerville 8-8371.

Giant sequoia (Big Trees) grow only in California from Placer County south to southern Tulare County.

The Mt Shasta fish hatchery was established in 1888.

Birthday Celebrated

Miss Patricia Ann Gomes of Niles was honored with a party given by her parents, Mr. and Mrs. LeRoy Gomes, on Sunday, October 14, in celebration of her fourth birthday.

After playing several games, Patty opened her many lovely gifts and the following guests were served cake, ice cream and punch: Mr. and Mrs. Manuel F. Silva, grandparents; Grandma Rose Har-

vey and Ed Harvey; Mrs. Eleanor Perry, Denny and Maryellen; Mr. and Mrs. Manuel H. Silva, Steve and Mike; Mrs. Lorraine Andrade and Linda Carol; Mrs. Gussie Borba; Mr. and Mrs. Harold Lonnberg and Lulu Rose, Donna Mae and Douglas; Mrs. Vivian Escobar and Danny; Misses Beverly and Patsy Souza, Misses Carol and Chris Becker, and Miss Susan Silva.

A good time was had by all and Patty was a very happy but tired little girl at the end of the day.

'Butch' Mohn to Be Married

Mr. and Mrs. Hal Parton of Oakland have announced the engagement of their daughter, Dolores Stultz, to Lorin "Butch" Mohn of Niles, son of Mr. and Mrs. Lorin Mohn.

Dolores is the granddaughter of Mrs. Elizabeth Mendenhall of Niles. She attended schools in San Leandro and is presently employed in San Francisco for the St. Paul Insurance Company.

She was given a shower Sunday by her former school chums.

Her fiancé, a member of a prominent township family, is employed at Freiden's in San Leandro.

The couple is planning a November 25 wedding.

Twin Daughters for The Bill Charnleys

Right in the midst of moving into their new home on the Mission-Irvington road, Mr. and Mrs. Bill Charnley experienced an even greater thrill by becoming parents of twin daughters! The babies were born Tuesday, over a month ahead of schedule. They are Vicki Lynn, who weighed four pounds and 13 ounces; and Karen Virginia, who weighed five pounds and 7 ounces. Mrs. Charnley also has a son, Allan Houston, by a former marriage. He is six years old.

Mr. Charnley is a commercial flyer, making regular flights to the Hawaiian Islands and Japan.

Birthday Dinner

Mrs. Shirley Andrade and Mrs. Dorothy Channess gave their mother, Mrs. Alex Butler, a birthday party last Saturday. They presented her with a beautifully decorated birthday cake. Whist and games comprised the entertainment.

Those who were present to help her enjoy her birthday were her little granddaughter, Sharon Channess; and Mr. and Mrs. Joseph Andrade, Mr. Bill Enos, Mr. Alden Channess, Mrs. Blanche Kuykendall, Mrs. Angie Vargas, Mrs. L. Duarte, Mrs. Elsie Santos and Paul, Mr. and Mrs. Clarence Souza and son Clarence, Mr. and Mrs. John Souza and Judy, of Hayward, Mr. and Mrs. Vernon Vargas and Skipper, Mrs. Marie Louis, Miss Elaine Bettencourt, and Mr. and Mrs. Ed Goularte.

Flies from Houston

Everett Mendenhall spent a few days visiting his mother, Mrs. Elizabeth Mendenhall, last week. He arrived Wednesday from Houston, Texas, and returned Sunday. He is stationed in Houston, flying planes out of Houston for the Consolidated Steel Company. He has been there a year this month.

Birthday Dinner

Mr. and Mrs. George C. Malgren and infant son, Chris, of Berkeley, were Wednesday night dinner guests of Mrs. Malgren's parents, Mr. and Mrs. Clifford Dennis of Niles. The dinner party was in celebration of Mrs. Malgren's birthday.

Use Register Want Ad

Another Mohn To Be Married

A romance that began in the Candlelight Cafe in Niles, where she was working behind the counter, is going to end in wedding bells for Jan Nell of Irvington and Milton Mohn of Niles.

They met when he came into the cafe for lunch, and they've been going together ever since. They plan to be married in December, the exact date yet unknown.

Milton is the second one in his family to head altar-wards this year. His brother, Lorin (Butch), is also planning to be married. His marriage to Dolores Stultz is scheduled for November.

Jan, who attended Washington Union High School, is the daughter of Mr. and Mrs. C. L. Nall of Irvington.

Milton is the son of Mr. and Mrs. Lorin Mohn, formerly of Niles, but now living in Pocatello, Idaho.

Stork Shower for Mrs. Jack Parry

Yellow decorations, in preference to the proverbial pink or blue, provided an interesting variation for the stork shower held for Mrs. Jack Parry. Mrs. Julius Berchem was co-hostess with Mrs. John Berchem.

The gifts for the honoree were piled high in a play-pen, which was the gift of the two hostesses.

Those invited included Mmes. Catherine Parry, Al Vieux, Amador Pratali, Jerry Sletten, Jack Geib, John Brahmst, Ruel Brown, Frank Mello, Julius W. Berchem, John Cattaneo, Tom Estudillo, Thomas Grant, Thomas Kerns, James McKiernan and Elizabeth Nash.

At Alumni Dinner

The Fred Duffles—juniors and seniors—motored over to Stockton last Saturday to attend the Clemson College-College of the Pacific football game Saturday night. Mr. Duffie (senior) is an alumnus of Clemson, an agricultural college in South Carolina. Prior to the game the four attended a Clemson College alumni dinner at the Hotel Stockton. Over 200 alumni were present.

Even though his college didn't win (the score was 21-7 in favor of C.O.P.) Mr. Duffie was proud of the showing that his Alma Mater made.

Visit in Turlock

Mr. and Mrs. Kenneth Berg of Centerville spent part of Mr. Berg's two weeks vacation visiting his parents, Mr. and Mrs. O. C. Berg, in Turlock last week. They came home loaded with some of the luscious grapes and tomatoes that the valley is famous for.

Baby Daughter

A baby daughter was born to Mr. and Mrs. Frank De Salles of Niles Tuesday morning at San Jose Hospital. The young lady, who has not yet (as of press time) been named, weighed eight and a half pounds at birth. She has a big brother, Leroy, 15 years old.

YOUNGEST IN COUNTY?

This week we have a new correspondent for our Mission San Jose news. He's a young man. A very young man indeed, only 13 years old. His name is Albie Santos, and he's a freshman at the local high school. When he heard that Lois Bottenberg had, after all these years, decided she wanted a rest, he volunteered to take care of the Mission San Jose news.

We hate to lose Lois, but she deserves a rest; and Albie is an enthusiastic young man who gives every indication of becoming quite a journalist. It's possible that he may qualify as the youngest newspaper correspondent in Alameda County!

Was it just by coincidence that when the sales tax auditors were in the township they spent the whole time that the World Series was on, auditing Wes Sears books, in Centerville? As if by magic, as soon as the World Series was over, the sales tax men found that they had completed their auditing of Mr. Sears' sales tax records.

LILACS IN THE FALL

One of nature's oddities occurred in Niles this week at the Keller home on Morrison Avenue.

Miss Gertrude Keller, Niles school teacher, stopped in the Register office this week on her way to school with a full-fledged lilac blossom in her hand! "The bush is 40 years old," she said. "This is the first time it has ever bloomed in the fall."

Last spring she worried because the boys cut off so many of the blossoms to sell to florists. "I thought they might have ruined the bush," she said, "but it looks as though they might have given it a new lease on life."

House Guests

Mr. and Mrs. Louie Coe of Inglewood spent last week visiting at the home of Mr. and Mrs. Dan Marble. Another recent house guest of the Marbles was Mrs. Blanche Janssen of Danville.

Huckleberry Pickers

Mrs. Maurice Marks and Mrs. Tom Robbins motored over to the Santa Cruz mountains huckleberry picking Monday and each came home with a bucketful. They met friends of Mrs. Marks over there and all had a picnic lunch together at Big Basin.

The Tahoe National Forest contains 1,250,000 acres.

BENEFIT CARD PARTY
NEXT WEDNESDAY NIGHT

A benefit card party for the Sanford Circle of the Niles Congregational Church will be held Wednesday, October 24, in the Guild Room. Bridge, canasta or whist will be on the agenda for the evening, with refreshments of cake and coffee served.

The hostesses for the affair are Mrs. Philip Preston, Mrs. Ada Willis and Mrs. Henry Kohlenberg.

The party starts at 7:30. Reservations may be made with either Mrs. Preston or Mrs. Kohlenberg.

BEARCATS WIN
LEAGUE OPENER

By TONY ROGERS

The Centerville Bearcats opened their East Oakland Baseball League play Sunday with a 10 to 6 victory over the Cooks' Union of Oakland.

Garry Silveira started on the mound for the local club but was relieved in the sixth after allowing 4 runs on 10 hits while fanning seven men.

Roderick allowed but 2 hits and

2 runs and struck out 6 men. Errors played a big part in the score of the game, as only two of the Centerville runs were earned. The Oakland club scored three runs in the first frame but the Bearcats came back to tally five in the second inning.

The Bearcats scored by Manuel Fontes, who got on by means of a Cooks' error; Garcia walked, Silveira doubled them in, Marshall singled Silveira home, Faria doubled Marshall across and Roderick banged out a single to score Faria.

In the sixth inning the Cats overcame a one-point lead by the Cooks when Marshall bunted to advance Garcia and Hillard Rose and Blair, Cook third baseman, threw into right field, allowing two runs to score.

Ed Rose added the eighth run with a homer in the seventh and in the eighth Hillard Rose and Marshall scored on Faria's second double of the game.

Marshall led the local team at bat with two hits for three trips to the plate. Next Sunday the Bearcats will meet the Fairfax Merchants in a league game called for 2 p.m. at McConnell Field. The Cats have defeated the Merchants in a pre-league game.

Sunday's box score:

SPORTS

HUSKIES, STINGING
FROM DEFEAT, MEET
SAN JOSE TONIGHT

The Washington High School varsity football squad, suffering from an acute attack of over-confidence, was jarred from the dream of S.C.V.A.L. pennant hopes last Friday night when a light but scrappy Mt. View eleven dumped them 12 to 7.

From the opening whistle it was apparent to the Washington spectators that the Huskies were riding for a fall.

At times they looked as though they might have been instructed not to get their uniforms dirty. The fundamentals of tackling and blocking were completely forgotten by the Huskies with every tackle attempted above the shoulders and the blocks resembling an occasional bump on a crowded dance floor.

The Eagles grabbed an early six-point lead but the Huskies organized one drive that netted them their lone touchdown. Rich Duarte added the extra point.

The Mt. View lads fought back to take a 12-7 lead which they managed to hold the remainder of the contest.

It was a different story, however, in the case of the Washington Pupils. Fully aware of the fact that they are not the greatest team that ever wore the orange and black, the Pupils fought hard and grabbed a 21-7 win over the peninsula eleven.

Tonight (Friday) both squads will be hosts to the San Jose Tech squads in an S.C.V.A.L. twin-bill scheduled for 6 and 8 p.m.

DONALD PINE IN NAVY
AIR TRAINING CENTER

Donald S. Pine, airman apprentice, U.S.N., son of Mr. and Mrs. William J. Pine of Box 476, Niles, is undergoing a course of instruction at the Naval Aviation Ordinance School, Naval Air Training Center, Jacksonville, Florida.

Pine entered the service on April 5, 1951, and received his recruit training at the U. S. Naval Training Center, San Diego. Before entering the navy he attended Washington Union High School.

The states of California, Oregon and Washington, in 1947, joined in creation of the Pacific Marine Fisheries Commission.

Say you saw it in The Register.

SUPPORT PRICE IS SET FOR BEANS

The support price for dry edible beans for 1951 crop beans has been announced by the U. S. Department of Agriculture. The support rates this year show the same upward trend that all other prices are taking.

Here are the announced price supports for the common varieties of dried beans, grading No. 2 or better: Per cwt.

Small white, \$7.89; pinto, \$7.07; pea, \$7.34; great northern, \$7.08; medium white, \$7.34; red kidney, \$9.19; cranberry, \$8.54; pink, \$7.99; small red, \$8.04; baby lima, \$6.44; large lima, \$10.04.

In addition to meeting the grad-

ing requirements, the beans must not have a commercially clean-ed; not have a moisture content in excess of 18 per cent; after deducting for foreign material, must not contain more than 10 per cent of other defects; not be weevily, weathered, or hot. Beans should be sacked in bags weighing about 100 pounds.

Of importance to Alameda County farmers is the announcement that beans must be stored on-the-farm this year in order to qualify for purchase agreements or loans. There are no C.C.C. approved bean warehouses this year, so beans stored in commercial warehouses will not be eligible for support

People have asked... "Oil Progress? Should that mean something to me?"

The oil companies of America are now observing Oil Progress Week. Some people outside the industry have asked, "Oil Progress? Should that mean something to me?"

The answer is "Yes, indeed!"—for oil progress directly affects the lives of all Americans, and the rest of the civilized world as well. One indication of the strides the industry has made is a count of its products. Fifty years ago, we were getting only about a dozen different products out of crude oil. Now Standard produces more than 1100. What we ourselves produce, plus what's made with the help of products we provide, adds up to a seemingly endless list of things that make your life better.

natural gas, hydraulic oil, motor machine oil, floor wax, plastic cement, printing inks, automobile, shock absorbers, carbon paper, roof coating, detergents, leather oil, egg oil, shoe polish, paint cleaners, paraffin wax, fly spray, etc.

Standard's products are everywhere. They are the products that make your life better. They are the products that make your car run better. They are the products that make your home more comfortable. They are the products that make your business more successful. They are the products that make your life better.

Your car can be "like new" longer with a motor oil developed by Standard's scientists using atomic energy. It cuts engine wear as much as one-half, compared with conventional oils.

Your cleaning chores are easier thanks to today's new detergents. Standard pioneered their development, now supplies a large portion of the nation's needs.

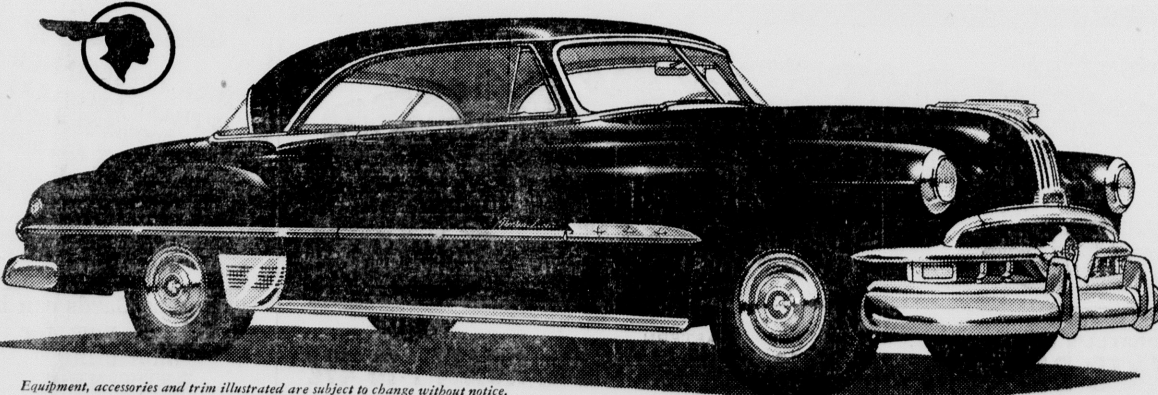

Your country's military strength is increased by jet fighters. Standard developed the first jet fuels used by the U.S. Our fuel progress continues with today's super-jets.

Standard's products are everywhere. They are the products that make your life better. They are the products that make your car run better. They are the products that make your home more comfortable. They are the products that make your business more successful. They are the products that make your life better.

The growth of the industry over the years has meant the development of thousands of oil companies, large and small. All are needed—to serve you better, and keep the nation strong. As the industry progresses, the gain is yours... for your progress and oil progress go hand in hand.

Oil Progress Week... October 14 to 20

STANDARD OIL COMPANY OF CALIFORNIA
• plans ahead to serve you better

What a Wonderful Story
the Price Tag Tells!

Equipment, accessories and trim illustrated are subject to change without notice.

WE'D like you to come in and hear a wonderful story.

First of all, it's the story of a great car—a car whose name is respected and admired everywhere in America. We are sure that the word "Pontiac" means something distinct and different from any other name in the motor car world.

The word Pontiac means a good solid citizen—a thoroughly good car—a beautiful car—a

car with a reputation for delivering years and years and years of driving pleasure.

But there's another important part of this story you should hear: It's the wonderful story of Pontiac's price!

For this great car, desirable as it is, is one of the lowest priced automobiles in America—just one step above the very lowest.

Come in, get our deal—a wonderful story all the way around!

SALUTE TO A COUNTRY DOCTOR

It is with sincere regret that we learn this week of the temporary retirement of Dr. Lyle Buehler of Niles. Doctor's orders have put him in the position of taking an enforced vacation that will last at least six months or more, depending upon how rapidly he recovers from a condition that undoubtedly came about from overwork.

How seldom do people in a small community realize the man-size job of a country doctor, or the great debt a rural area owes to a man who sacrifices the high fees of the city specialist to come to the country as a general practitioner. The country doctor caters to the needs of the poor and the middle-class, rather than to the often hypochondriacal — though certainly more remunerative — whims of the wealthy clientele to be found in cities.

Dr. Buehler has been practicing in Niles for ten years. In that time he has earned the reputation of being an unassuming, hard-working doctor, devoted completely to the welfare of the sick. Not often is a doctor quoted with such reverence and with such faith.

When you hear one of his patients say, "Dr. Buehler says . . ." you know that the patient has the utmost confidence in the treatment the doctor recommends; and confidence in the advice of your doctor, as even the layman knows, is a big step on the road to recovery.

"He always listens," is one comment made this week by a patient. Another patient—a little old lady, bed-ridden—

is completely dismayed. "I don't know what I'm going to do without him," she said plaintively. Many others are of the same opinion.

Dr. Buehler, however, has been relieved somewhat of the worry of the future welfare of his patients by the knowledge that, substituting for him in his office will be a medical man in whom he has complete trust, Dr. Albert Olson.

We, as a community, salute a country doctor who has put in many long hours of service. We thank him for a job well done, and hope that he will be able to resume that job in the not-too-distant future.

IT'S THE COMMUNITY CHEST!

Those who have to have a motive, other than an altruistic one, to contribute to the current Community Chest campaign, can look at it this way: **YOU CAN TAKE IT OFF YOUR INCOME TAX.**

This appeal may seem to be playing on the baser instincts of mankind, but if it succeeds—where an appeal to the generosity of a human heart fails—then it could be condoned. For Washington Township, as well as all sections of the country, is in desperate need of the monies which only Community Chest provides. Our youth movements depend almost entirely on Chest funds, and our service men, too, look to Community Chest for USO funds.

Do we DARE say to our youths: "Get along the best you can. Why should we support your Scouting and youth center movements? Roam the streets if you want to. Become delinquents. We don't care."

That's what you are saying, in effect, when you refuse to contribute to Community Chest. You are also turning your back on our service men.

This week a volunteer Community Chest worker walked down a street of thirty houses. From those thirty homes she was able to collect only \$2.50!

Washington Township is peopled with affluent business men, farmers, industrialists. It has been known far and wide as a prosperous section of Alameda County. Is it possible that it is to become known as the "tight-wad" section of Alameda County?

DAY BY DAY IN DECOTO

By GRACE CAMINADA

SATURDAY NUPTIALS

Miss Doris White and Arthur R. Brown were united in a double ring ceremony last Saturday evening, Oct. 13, at the Faith Lutheran Church of Castro Valley, with Rev. Carl Wildrick officiating.

The bride is the daughter of Mr. and Mrs. Melvin E. White of San Leandro and is a graduate of San Leandro High School, class of 1946. She is employed as a bookkeeper at the Automotive Parts Company in San Leandro.

The bridegroom is the son of Mr. and Mrs. George Lorenzo of Decoto. He is a graduate of the Washington Union High School in Centerville and is employed by the California Air National Guard at the Hayward Airport.

The bride, given away by her father, wore a white simple cut gown with long train. Her high round neckline was trimmed with pearl-studded embroidery. Satin buttons closed the back of the bodice and the sleeves. Her illusion full length veil was held with a pearl studded crown. She carried a prayer book with a white orchid center and bouquet.

Maid of honor was the groom's sister, Dolores Lorenzo. Bridesmaids were Mrs. Esther White, the bride's sister-in-law, and Winnie Splude. All the attendants wore identical style dresses. The maid of honor's gown was of lavender satin and she carried yellow carnations. Bridesmaids were in aqua and yellow and carried lavender carnations. The flower girl was the bride's niece, Nancy White. She was dressed in a floor length white taffeta gown and also carried lavender carnations.

Chris Hernandez, friend of the groom who resides in Decoto, was the best man. Ushers were Garvin White, the bride's brother, and Dan Corchero.

Ringbearer was Donnie Stubblefield. He wore a white dinner jacket to match the other men in the wedding group. He carried the rings on a white satin pillow trimmed in lace.

Soloist was Marjorie Koehler, who sang "Because" and "Always." The wedding march was played by Mrs. Carl Wildrick.

The bride's mother chose a deep purple silk crepe with winter white accessories for her daughter's wedding. She wore an orchid corsage. The groom's mother wore a navy blue dress with red accessories and also wore an orchid.

The reception was held at the church. The wedding table was decorated with white candles and mums and centered with the wedding cake.

The new Mrs. Brown wore a black gabardine suit with white accessories for her going away.

suit. They will spend two weeks at Yosemite. Upon their return they will reside in San Leandro.

GUEST SPEAKER

Fire Chief Whitaker of San Leandro was the guest speaker at the Decoto P.T.A. night meeting on Wednesday, Oct. 10. He spoke on the safety of the home, the main causes of fire in the home and how they can be prevented.

President Mrs. John Navas presented the program of the year to the members.

It was also decided to donate \$18 towards new records for the classrooms.

Mrs. Bernie Joseph appealed to the public to donate blood on

Blood Day, Monday, Oct. 15.

The meeting was adjourned to refreshments.

FARM HOME MEETS

The Alvarado Farm Home Bureau held their meeting on September 27 at the Parish Hall in Centerville. The meeting was opened by Mrs. F. Mae Williams of Hayward who seated the following officers: Adeline Santos, past chairman; Jessie Murphy, chairman; Mae Rodgers, past vice-chairman; Elsie Madruga, vice-chairman; Jessie Murphy, past secretary; Mamie Perry, secretary; Mary L. S. George, past publicity chairman; Martha Faria, publicity chairman. Corsages were prepared.

We're stretching our available supply of metals and other critical materials by every means science can devise.

MORE STRENGTH FOR OUR NATION

How we're saving the materials our country needs for defense

1. Copper for cables and wires...rubber for insulation...aluminum for dials—the telephone system requires vast amounts of the materials which are also badly needed by other defense products. Naturally, since the telephone is such an important military and production tool, we get a quota of these materials. But to keep building a strong communications system, we must conserve in every way we can.
2. Scientists are at work on this task...in telephone laboratories and manufacturing plants. By substituting other materials for critical ones, by discovering ways to use smaller amounts of the shortage items, they've come up with some amazing savings. It's estimated that, in 1951, the Bell System will save 2,700,000 pounds of rubber, 3,250,000 pounds of copper, 210,000 pounds of aluminum—to name just three.
3. Efficient telephone service, the kind that can pitch in and help all the nation in times of need, is the result of just such little things as using steel instead of aluminum in a telephone dial. It's the result, also, of keeping the telephone system financially strong. Over the years, such financial strength has been the foundation of our ability to serve. It has enabled us to produce telephone service that's better than ever, produce more of it than ever, and sell it at prices which have gone up far less than other things.

Your telephone is one of today's best bargains

Price changes since 1940

FOOD UP 135%
COST OF LIVING UP 66%

TEXTILE ARTS TO BE TAUGHT HERE

The P.T.A. of Washington Union High School is sponsoring a textile art class to be given on Tuesday evenings from 7 to 9 at the high school. The class is one of many Adult Education classes offered this year and registration starts immediately.

The first meeting will be held Tuesday, October 23, and will run for eight weeks. The class will cover the making of original designs which may be used on cottons, linsens, silks, or rayons. Some of the methods of textile printing to be used will be crayon, textile pencils, stencil, block printing, free brush, and batik.

TOWNSHIP CHAMBER

(Continued from page 1)
establishment of a regional park in Niles Canyon.

Mrs. Overacker was named general chairman of a committee she is to select from each of the organizations of the township. When the matter has been brought before the attention of the clubs a public meeting will be called by the Township Chamber and representatives of the regional and state park systems invited here to speak.

It was reported that the Associated Chamber of Commerce of Alameda County has endorsed plans for flood control in the Alvarado area and intends to take an active part in promoting the plans.

Our state park system now includes more than 500,000 acres.

"Look . . . you can see the CLOVERDALE CREAMERY from here! I can hardly wait to get some of that delicious Grade A Pasteurized milk."

STATE TAKES LEAD IN FOUR NEW CROPS

The richness of California's soil has established the state's leadership in four more important agricultural products that add to its pre-eminence in many valuable food crops.

California's yield of tomatoes, spinach, lima beans and cucumbers for pickles were higher last year than in any other state in the nation, according to U. S. Department of Agriculture statistics.

The abundant yields of these four crops are so far beyond the needs of California consumers that the canning and processing industry which packs and ships them to distant markets is second in importance in the state. Aircraft now ranks as the state's most important manufacturing industry.

Local canners and freezers last year packed about 84 per cent of the state's total production of the four vegetables.

The state holds its widest lead in the abundance of its tomato crop. The average acre of California land planted with canning tomatoes yielded 12.5 tons of the red vegetables last year compared with a 9-ton-per-acre yield for both New York and New Jersey, tied for second place.

The spinach yield in California was 5.5 tons per acre, to runner-up New Jersey's flat 5-ton average. For cucumbers, first-place California got 355 bushels per acre while Washington, in second place, averaged 266 bushels. California's lead in lima bean yield was based on a 2,510-pound crop per acre to Washington's 2,050.

NURSING PROGRAM AT NEWARK SCHOOL

The Newark Elementary School District has been selected for field training in public health nursing, according to an announcement this week from J. I. MacGregor, school principal, and Dr. James C. Malcolm, county health officer.

This area was chosen because of the interest of the faculty in the Newark School in the health program for children. The school has had one of the outstanding health programs in Southern Alameda County. Dr. Malcolm states that in addition to the school activities, Newark offers an opportunity for experience in all aspects of public health nursing because it is a family community and because of its industries.

Students who have been assigned to the Newark area by the University of California are: Elaine Berry, from Berkeley, and Florence Koda, originally from Watsonville, now living in San Leandro. They will be in the district until January and will make their headquarters in the Washington Township office of the Alameda County Health Department.

KIDDIE MATINEE AT NILES SATURDAY

A Saturday kiddie matinee, featuring the popular "Alice in Wonderland," will be held at the Niles Theater tomorrow (Saturday), starting at 2:15.

DECOTO NEWS

(Continued from Page 7)

sented by Mae Smith to the new officers. Gifts were given to Adeline Santos who presided as chairman for 12 years, and to Mary L. S. George who was publicity chairman for 10 years.

After seating the officers there was a moment of silence in memory of Jessie Hardy, a member who passed away during the summer.

Mrs. C. Lockes of the Bayview Center in Hayward was the guest of the evening.

The project, Holiday Puddings, was led by Elsie Madruga. All enjoyed the samples.

Reports were made on the Garden Club by Adeline L. Santos. Guest speaker at that meeting was Bernice Jensen of Hayward.

The next meeting will be held on October 25 at the Parish Hall with the project, Treating the Feet Right, led by Home Advisor Maryetta Holman. There will also be a birthday party. The committee to furnish refreshments at this meeting will be Connie Citrino, chairman; Olivia Faria, Adeline Brown, Jane Wallace, Nora Vargas, Mary L. Amaral, Elsie Madruga, Isabel Muniz, Mary George, Minnie Silva and Jessie Murphy.

Appointed project leaders were named as follows: nutrition, Elsie Madruga and Nell Rodgers; clothing, Marie Williams and Minnie Silva; home management, Mary Rose and Bessie Borghi; home furnishing, Jane Wallace and Anna Rose; toy making, Martha Faria and Anna Rose; program counselor, S. M. Williams; books, Ida Rodgers; sunshine girls, Nora Vargas and Mary L. S. George.

On October 3, Jessie Murphy and Mamie Perry attended the county committee meeting at Hayward.

LIKE FOOTBALL?

The Hayward A. C. is looking for new football players and any one interested is asked to attend practice on Tuesday and Wednesday nights at the Hanlon Field in Hayward. For further information contact Gil Orozco by calling Decoto 2951. Boys from here now playing are Henry Mendoza, guard, and Bob Saucedo, halfback, both of the class of 1950 from the W.U.H.S., and Gil Orozco, end, class of 1949.

PINOCHLE CLUB MEETS

Mr. and Mrs. A. L. Costa were host and hostess at their home last Saturday evening when the Pinochle Club met. They served delicious pumpkin pie topped with whipped cream and coffee.

Tony Costa won high, Lester Watkins second and Ed Moniz low. Present were Mr. and Mrs. Lester Watkins, Florence Wallace, Mr. and Mrs. Jim Parks, Mr. and Don Morgan of San Lorenzo, Mr. and Mrs. Ed Moniz of San Leandro. The next meeting will be held at the Don Morgan home in San Lorenzo.

HOMES ARE THE HUNTERS

Returning from a very successful hunting trip recently were Charles Janeiro who shot a deer that dressed out 200 pounds, Wesley Yeager, Ken Grubie Jr. and Clyde Quinn, all of San Francisco, and Dr. Walton of Centerville. The men hunted in the Jack Creek district about 100 miles from Elko, Nevada. Charlie is contemplating another trip real soon.

Mr. and Mrs. Bill Davis and E. H. Rakowicz of Oakland also returned home from the same district with wonderful results. Bill shot a deer weighing over 250 pounds, his wife shot one over 165 pounds, and Mr. Rakowicz one
